Impressive services were held at the Peake's Baptist Church Sunday morning as the special membership rally came to a close. The following program was given: welcome address by Miss Eloise Lockett; response by Miss Radie Morgan of Canaan Baptist Church; music by the junior choir; sermon by the pastor, Rev. C. A. Marshall, who spoke from the subject, "A True Companion with God"; music by the senior choir; offering by church deacons, which amounted to $91.33. Dinner was served to all who attended. The afternoon program was rendered by the young people of the church and final report from all captains. The total amount reported during the day was $136.42. The rally was for the benefit of putting in a pfll in the church.

A large crowd attended the musical program at the Galilee Baptist Church last Sunday at 6 P.M. by the Bethesda Baptist Church Junior Choir, of Petersburg. The same group appeared at Mount Shiloh Baptist Church at 8 P.M.

A special Mother's Day program will be given at the Galilee Baptist Church this Sunday at 6:00 P. M., by members of the Church School. The public is invited to worship at the Promise Land Baptist Church this Sunday at 8:00 P. M.

Homemaker's Items

Latest research in home economics will be viewed by about 27 Virginia home demonstration agents on tour at the Agricultural Research Center at Beltsville, Md., in May, Miss Maude E. Wallace, assistant director of the Extension Service, announces.

The tour is set for May 18 and 19.

If your playing cards stick when you shuffle them—sprinkle them with some talcum powder. Then shuffle the cards. The talcum coats the spots and makes the cards as smooth as new.

To make a cream sheese spread for dipping potato chips, soften the cream cheese by working cream into it. When season with worcestershire sauce, onion juice, and salt. To serve just set it next to a pile of potato chips.

Are the knobs on cupboards and dresser drawers forever working loose? Here's a simple solution to the problem. Get some fine or medium grade sandpaper. Cut out small washers, and make a hole in the middle of each washer. Slip the washer over the bolt ar the screw in the knob. When the knob is tightened, the abrasive surface will hold the screw in place— and it keeps the knob from turning and twisting loose.

Tips Are Given On African Violet Culture

Do you grow African violets? Then you'll be interested in this advice from A. G. Smith, r., associate horticulturalist at V. P. I.

The ideal soil for African violets is composed of equal parts of garden loam, sand and pet or leaf mold. Add some very old manure or a little bone meal, the latter in the proportion of one teaspoonful to a five-inch pot. Mix thoroughly.

Do not let the plant get too dry or too wet. Temperature of the water should be near room temperature. Water from the base, and keep water away from the heart of the plant.

The plant does not like strong sun, but does appreciate warm indirect light. Eastern exposure is ideal.

Message To Our Citizens

On Monday, May 15, the U. S. Savings Bonds Independence Drive opens throughout the nation, continuing through the Fourth of July. Its symbol is the Liberty Bell, encircled by the campaign theme: Save for Your Independence—Buy U. S. Savings Bonds.

The year-round Savings Bonds program, of which this annual campaign is an important part, fosters the spirit of self-reliance and the urge for self-betterment that, along with individual enterprise, inventiveness, productivity and thrift have carried us steadily forward since the first settlers braved the wilderness to build a free America.

Through regular savings we build up reserves against misfortune and provide income for our later years, thus lessening the burden upon others. We accumulate funds for worthwhile purchases and investments. The buying power we store up (individual savings in E Bonds alone exceed $34,000,000,000 in cash value today) helps to stabilize business and employment through the years.

As your mayor, I urge all who are able to help the volunteer Savings Bonds Committee of this city reach every possible Bond buyer during the campaign. The more we exceed our Independence Drive quota and the more we spread the habit of regular saving, through the Payroll Savings Plan or purchase of Bonds at banks and post offices, the more we shall have done for ourselves, our community and our nation.

In honor of the Liberty Bell, hallowed symbol of the American principles by which we live and grow and prosper, I call upon our citizens to signal the opening of this Independence Drive by the ringing of bells throughout the city at noon and the displaying of our nation's flag on Monday, May 15.

George B. Buchanan,
MAYOR
